Description

BIG BOX plastic pallet box (1200 × 1000 × H830 mm - 670 litre). Liquid-tight pallet box on three runners with a hinged lid. With closed side walls and a reinforced base. The lid is fitted with a flip-over safety catch. The pallet box is equipped with 1" and 2" outlet fittings on one short side and one long side. The BIG BOX pallet box features convex, outward-bulging wall panels for optimal internal volume, providing up to 10% more volume compared to conventional pallet boxes. The pallet box is widely used and is ideal for use as a (movable) gritting salt bin.
