Material	PP
Article number	A192.706.000.L
Weight (kg)	0,02 kg
Temperature range	-20°C to +50°C / briefly to +90°C
Color	White

Features

- **Recessed 2" screw plug with external thread - complete with rubber sealing ring**
- **Size: Ø 61 x H20 mm**
- **This recessed 2" screw plug is mounted by us on the long side of a pallet box**
- **Suitable for plastic pallet boxes type BIG BOX and MaxiLog**
- **The screw plug is recessed, meaning it remains within the box contour after mounting - so it does not protrude**

Description

White 2" plastic screw plug with rubber sealing ring. The screw plug with external thread is mounted in plastic pallet boxes type BIG BOX or MaxiLog - on the long side. The screw plug sits recessed within the outlet provision. After mounting, the plug remains within the box contour and therefore does not protrude.

When ordered, this screw plug is mounted in the pallet box ordered with it - on the long side; we then provide the outlet opening and cut the thread.

Note: Would you like to order only the screw plug, without mounting? See item number A192.706.000
