Internal (LxWxH)	557 × 356 × 116 mm
Max. stacking load (kg)	200 kg
Capacity	23 litre
Color	Grey
Handles	Closed
Sidewalls	Closed
Material	PPC
Article number	30.612.KO.1.INZ.9
Weight (kg)	3,4 kg
Temperature range	-20°C to +50°C, briefly up to +90°C
Bottom	Closed, smooth
Colorcode	RAL 7040
Load capacity (kg)	20
Quantity per pallet	80
Stacking height (mm)	125

Features

Robust plastic case from the SOLID LINE.
Dimensions 600 x 400 x H 133 mm - 23 liter. Colour grey

Fitted with 1 PRO insert bin in 1/2 format, 2 insert bins in 1/8 format and 4 insert bins in 1/16 format. Colour grey

With hinged lid - fitted with a foam sheet on the inside

When opened horizontally, the lid can be easily removed (if not fitted with hinge reinforcements)

With practical case handle on one long side

The base is completely smooth and flat, making it easy to clean

SOLID LINE cases have standardised dimensions (600 x 400 mm) and are very easy to stack with each other

Options: printing - bin in another colour (7 colours) - lid in another colour (7 colours) - combinations with other PRO insert bins

Description

Plastic case in **Euronorm format (600 x 400 x H 133 mm - 23 liter)**. Finished in **grey** and part of the SOLID LINE - a product range used in a wide variety of applications. Users are found in industry and craft sectors, as well as in retail and logistics. In addition, the case is also used for hobby purposes and in home environments.

Composition

The SOLID LINE case consists of a plastic stacking bin with hinged lid and **snap closures**. A practical case handle is mounted on the long side. The case is fitted with 1 PRO insert bin in **1/2** format, 2 insert bins in **1/8** format and 4 insert bins in **1/16** format. All insert bins are finished in **grey**. A **foam sheet** is mounted in the lid. When the lid is closed, this foam sheet ensures a good seal over the insert bins. During transport, the contents therefore remain exactly where they belong.

Application

Thanks to the **standardised dimensions** (600 x 400 mm), the stacking bin is **stackable with all other Euronorm stacking bins** and perfectly compatible with standardised pallets and mobile plastic trolleys or roll containers.

The case is food-safe, has a **hygienic design** and is fitted with a case handle. Designed with a hygienic, **smooth base** underside.
