## Features

Lidded bins are also stackable with lid

Lidded bins have a removable, hinged lid

Stacking bin with hinged lid and 2 snap-slide locks

## Description

Stacking bin with lid in Euro norm size 400 x 300 mm. The lid container is composed of a stacking container and a white hinged lid with two snap-slide closures. In the open position, the hinged lid is removable. Fully enclosed container with reinforced bottom and closed handles. Due to the standardized dimensions, the lid container can be stacked with other Euro containers, with or without a lid. The lid container is made of food-grade plastic. The snap closures ensure a secure seal of the lid container and easy reopening. We supply foam interiors, seals, and label holders as accessories for the lid containers.
