Stacking bin with hinged lid and 2 snap-slide locks

Description

Stacking bin with lid in Euro standard size 600 x 400 mm. This version is composed of a fully enclosed stacking container with a blue hinged lid and two snap-slide fasteners. The lid container is stackable with Euro standard cases, stacking containers, and other Euro standard lid containers. Due to the standardized dimensions, the lid container can also be perfectly combined with standardized pallets, roll containers, and mobile bases. Goods can be safely transported and protected from dust in lid containers. We supply foam interiors, seals, and label holders as accessories for the lid containers.
