Article number	81691510
Weight (kg)	43 kg
Quantity per pallet	5

Features

- **The waste container is fitted with four galvanised swivel castors, two with brakes.**
- **With plastic wheel rim and rubber Ø 200 mm tread.**
- **The four-wheeled waste container is suitable for emptying with the dustcart.**

Description

Mobile green 1100-litre plastic waste container (1370 x 1190 x 1470 mm) equipped with Ø 200 mm rubber-tyred castors. The wheelie bin container features galvanized swivel castors, two of which are fitted with wheel brakes. The 1100-litre waste container is certified in accordance with DIN EN 840 and is therefore suitable for all types of refuse collection vehicles equipped with lifting systems compliant with DIN EN 840. The container body and wheel mountings are additionally reinforced, making the container exceptionally durable and suitable for heavy-duty use. It is equipped with special lifting trunnions on both sides. Highly suitable for professional, long-term use, the container body and wheel mountings are extra reinforced, allowing for a maximum payload of 440 kg. Thanks to its smooth inner walls, dirt does not adhere easily, making the waste container simple to clean. The 4-wheel waste container is resistant to acids, weather conditions, and UV radiation.
