Description

The stacking crate, measuring 550 x 450 x H 163 mm, is available in natural white. This crate is fully enclosed with a smooth bottom, providing a tidy and efficient storage solution. The smooth bottom makes it easy to stack and clean the crates, making them ideal for organized storage in various environments.

These stacking crates are a popular choice for special applications in both the food and pharmaceutical industries. Their fully enclosed design offers optimal protection for the contents, making them suitable for storing and transporting products that must meet strict hygiene standards. With their practical design and versatility, these stacking crates offer a reliable solution for organized storage and transportation in various industries.
