Description

Heavy-Duty Basket, 45 Litres, made from food-grade plastic. Featuring a finely perforated base and side walls, two moulded carry handles, and a reinforced bottom rim to protect against abrasion. Temperature resistant from -30°C to +70°C. The basket is suitable for professional and industrial use, including the fish processing industry, vegetable processing sector, laundries, and other demanding applications. Among other uses, this industrial basket is employed as a centrifuge basket for cleaning vegetables and on fishing vessels.
