

Industrial pallet TC3 - 1200 x 1000 mm - with rims 7 mm - 3 runners - light blue

Product specifications

| | |
|------------------------|-------------------------------------|
| External (LxWxH) | 1200 x 1000 x 160 mm |
| Dynamic load capacity | 1500 kg |
| Material | HDPE |
| Article number | 87035341 |
| Weight (kg) | 21,5 kg |
| Temperature range | -30°C to +40°C, briefly up to +90°C |
| Color | Blue |
| Static load capacity | 7500 kg |
| Edge height | 7 mm |
| Load capacity in racks | 1250 |
| Quantity per pallet | 15 |

Features

TC pallets runners are chamfered on both edges

Connections of the pallet chocks to the runners and the pallet surface are extra reinforced. Breakage at these sensitive points is thus reduced to a minimum

Intelligent design of the pallet chock ensures better grip of wrapping and stretch film

Raised rims around the TC3 prevent the load sliding off and mutual sliding of empty pallets

The TC pallet's patented weld geometry guarantees a high load capacity and long lifetime

Top and bottom pallet surface are completely smooth and unperforated without external rib structures

Very high load capacity that is upgradable to 1750 kg in pallet racks using reinforcing sections: on request
