Description

Our MAGNUM box is a foldable plastic pallet box in a mini 800 x 600 mm format. When folded, the plastic pallet box achieves space savings of up to 60%. This mini-format box is used as a sales display and in warehouse applications where small product quantities need to be easily accessible. The perforated version is ventilated and is also suitable for direct contact with food. This box is widely used for potatoes, vegetables and other food products.
