Article number: 81025850 Printing possible

Multi Purpose container with lid - 210 liter - on feet - with rim reinforcement - dark grey/orange

Product specifications

External (LxWxH)	810 × 675 × 775 mm
Internal (LxWxH)	725 × 540 × 575 mm
Capacity	210 litre
Sidewalls	Closed, smooth
Material	Recycled HDPE
Article number	81025850
Weight (kg)	13,5 kg
Temperature range	-30°C to +40°C / briefly up to +90°C
Color	Grey
Bottom	Closed, smooth
European Article Number	7424905369377
Max. load capacity per box	210 kg
Quantity per pallet	16

Features

- **Multi Purpose container 210 liter**
- **With hinged plastic lid**
- **Latched and optionally lockable**
- **Hinges made of plastic/stainless steel**
- **With galvanised rim reinforcement**
- **Fitted with a 19mm outlet with screw cap**
- **Made of smooth-walled, robust HDPE**
- **UV- and weather-resistant - freeze-resistant down to -30°C**
- **Resistant to most chemicals and common cleaning agents**

Description

Multi Purpose container (MP container, dimensions 810 x 675 x H715 mm - 210 liter) used as a transport bin or grit salt bin. The bin is fitted with a hinged lid that is latched. The side walls and base of the large-volume container are fully closed and seamlessly smooth. Because the bin is made from homogeneous HDPE, it is impact-resistant and freeze-resistant down to -30°C. This makes it highly suitable for use as a grit salt bin.
