Article number: 99.459966

Tension strap with elastic insert - 1050 x 25 mm - woven - with wire hook and clamp buckle - black

Product specifications

External (LxWxH)	1050 × 25 mm
Color	Black
Material	PP
Article number	99.459966
Weight (kg)	0,09 kg
Extra	With elastic insert

Features

- **Plastic tension strap made of woven PP yarn - with elastic insert**
- **For all types of roll containers**
- **Dimensions: 1050 x 25 mm (L x W) - maximum tension range 820 mm**
- **Very practical to use thanks to the elastic insert**
- **The tension strap is attached to one side of the container wall with a knot, after which the metal clamp buckle is adjusted - this is done once**
- **Thanks to the elastic insert, the wire hook can then be easily hooked onto the opposite container wall**
- **The tension strap is only 25 mm wide. Works very efficiently and does not take up unnecessary space**
- **Ideal for safely securing loads**
- **Packaging unit (PU): 200 pieces / box - 6400 pieces / pallet**

Description

Plastic tension strap with elastic insert (1050 x 25 mm). Fitted on one side with a steel wire hook. The other side is tied around the opposite container wall. The width is set once using a metal clamp buckle.
