Description

Plastic case measuring 400 x 300 mm. The case is composed of a Euro container, a hinged lid with two snap-lock closures, and two suitcase-style handles on the short sides. The container part of the case features a reinforced bottom. The case is securely sealed during transportation, ensuring safe and dust-free transport of the cargo. The plastic case is stackable and compatible with other Euro containers and plastic stackable bins. Using a mobile base or a roll container makes it ergonomically feasible to transport the case.
