Description

Plastic case with dimensions of 400 x 300 mm. The case is composed of a Euro norm stacking container, a hinged lid with two snap-slide closures, and two suitcase handles on the short sides. The container part of the case has a reinforced bottom. The case is securely sealed during transport, ensuring safe and dust-free transportation of the cargo. The plastic case is stackable and can be combined with other Euro norm cases and stacking containers made of plastic. Using a mobile base or a roll container makes it ergonomic to transport the case.
