- **Lidded bins have a removable, hinged lid**
- **All lidded bins with case handle are stackable with lid**
- **The lidded bin with case handle is provided with an extra strong diamond-pattern base**

Description

Plastic case with dimensions of 400 x 300 mm. The case has a capacity of 28.5 liters and a height, including a reinforced bottom, of 335 mm. The case is composed of a fully enclosed stacking crate, hinged lid with snap-slide closures, and two case handles. A case handle is attached to each short side, allowing for comfortable handling even with heavy loads. The snap closures ensure a secure sealing of the lid, keeping the contents free from dust and dirt. The plastic case is stackable with the lid and can be easily and efficiently transported on standardized pallets, mobile bases, and rolling containers. We provide seals and label holders as accessories for the cases.
