Description

Our tallest plastic case in Euro container size 600 x 400 mm. The case has a capacity of 86 liters and a height including reinforced base of 439 mm. It features a reinforced base, making it highly suitable for heavier loads. The case is stackable with all other Euro containers and stacking boxes. Equipped with a hinged lid with two snap-slide closures, ensuring the case is securely closed during transport, allowing for dust-free and safe transportation of the cargo.
