Description

The MaxiLog plastic pallet box (1200 × 1000 × H760 mm - 610 litre) is a pallet box with a completely smooth finish and flat inner walls. This offers advantages when emptying the box. The MaxiLog box is lighter than the heavy-duty BIG BOX pallet boxes. As a result, it is easier to handle and also attractively priced. After all, it doesn't always have to be heavy-duty.
