Description

Plastic stacking bin in **Euronorm format** 600 x 400 mm with a **picking opening on the long side**, fitted with a hinged flap with snap closure - keeping dust out. Thanks to the picking opening with transparent flap, the stacking bin is ideal for use as a storage bin for delicate goods or high-care products. Due to its standardised dimensions, the stacking bin can be stacked with all other Euronorm stacking bins and is perfectly compatible with standardised pallets and mobile plastic trolleys. The stacking bin is food-safe, has a hygienic design and is fully closed. **Picking opening dimensions: 480 x H 220 mm.**
