Recessed 2" screw plug - food-grade - for pallet boxes type SB, CB3 High or HB - mounted on the long side

Product specifications

External (LxWxH)	74 x 74 x 42 mm
Material	HDPE
Article number	89692165.L
Weight (kg)	0,07 kg
Temperature range	-30°C to +40°C, briefly up to +90°C
Color	White

Features

Recessed screw plug with 2" external thread - complete with rubber sealing ring

Fully food-grade

The screw plug only needs to be opened a few turns to activate the outlet - meaning without removing the plug

For mounting in SB pallet boxes, CB3 High pallet boxes and HB pallet boxes

The pallet boxes mentioned have a provision for a 2" screw plug on one long side

When ordered, this screw plug is mounted in the pallet box ordered with it

In these boxes, the screw plug is recessed, meaning it remains within the box contour after mounting - so it does not protrude

Options: mounting in pallet boxes other than those mentioned above (in that case not recessed)

Description

White 2" plastic screw plug with rubber sealing ring. The screw plug with external thread is suitable for mounting in **SB pallet boxes**, **CB3 High pallet boxes** and **HB pallet boxes**. The screw plug is mounted on the long side of these pallet boxes. The screw plug sits recessed within the outlet provision. After mounting, the plug remains within the box contour of these pallet boxes and therefore does not protrude. The screw plug only needs to be opened a few turns to activate the outlet.

When ordered, this screw plug is mounted in the pallet box ordered with it - on the long side; we then provide the outlet opening in the pallet box and cut the thread.
