Set consists of a stacking bin with hinged lid in green (300 x 200 x H 133 mm)

Contains 40 reusable white French fry trays with dimensions 200x110 mm

Description

The set includes a lidded bin in Euro-standard size of 300 x 200 x H 133 mm along with 40 reusable chips trays measuring 200x110mm. The reusable trays can be securely transported and efficiently stored in the stacking bin with lid. The stacking bin with hinged lid and two snap closures is fully sealed. Due to the Euro-standard format, the lidded bin is compatible with other Euro-standard bins and transport dollies. The entire set for french fries trays is made of food-safe plastic.

The durable and reusable fries trays are ideal for use in the hospitality industry and at events.
