Quantity per pallet	240

Features

Modern stackable container / cutlery tray; primarily for event catering and rental, as well as for industrial applications.

The stackable container features a smooth bottom.

Description

Durable Euronorm stacking bin for catering, rental and industrial use

Grey plastic stacking bin with Euronorm dimensions of 300 x 200 x 145 mm. With a capacity of 7 litres, this compact bin is ideal for efficiently storing, sorting and transporting lightweight items. Commonly used as a cutlery tray or small storage bin in event catering, rental services and industrial environments.

The bin has a fully closed design with smooth base, solid sidewalls and closed grip edges, ensuring easy cleaning and hygiene. Made of food-safe PP plastic, it is suitable for professional use across various temperature zones from -20°C to +80°C.

Stackable

Thanks to its Euronorm format, this stacking bin is fully compatible with other bins of the same size.
