Quantity per pallet	20

Grey plastic stacking bin

Closed side walls

Two open handles

Closed, reinforced diamond bottom

Made of food-grade plastic

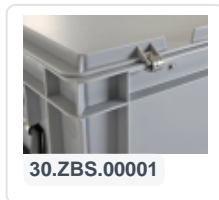

Dimensions: 600 x 400 x H420 mm

## Description

Fully enclosed plastic stacking container in Euro-standard dimensions of 600 x 400 mm. The height, including the reinforced base, is 420 mm. Thanks to its standardized dimensions, this stacking container is fully stackable with all other Euro-standard stacking containers and can be perfectly combined with standard pallets and dollies. The container is food-grade, features a hygienic design, and is equipped with two practical open hand grips. Suitable for the storage and transport of food products as well as bulky goods. Fitted with a reinforced base for added strength and durability.
