- **With closed handgrips - for optimal use of volume and protection against dust and other external influences**
- **The base is completely smooth and flat for optimal hygiene**
- **Food-safe and hygienically designed**
- **Options: printing - coversheets**

Description

Plastic **stacking bin** in **Euronorm format** (**600 x 400 x H 58 mm** - 9 liter) in **grey**. Suitable for use in industry and skilled trades, as well as in hospitality, catering and logistics.
Thanks to its **standardised dimensions** (600 x 400 mm), the stacking bin can be **stacked with all other Euronorm stacking bins** and is **perfectly compatible** with **standardised pallets**, **transport trolleys** and **roll containers**.
The stacking bin is food-safe, features a **hygienic design** and is fitted with two **closed handgrips** - for optimal use of the internal volume and to help protect the contents from external influences. The underside is fitted with a **hygienically smooth base**.
Everything for efficient logistics.
