Article number: 30.428.GDH.4 Printing possible

Stacking bin - 400 x 300 x H 276 mm - closed handgrips - smooth base - red

Product specifications

External (LxWxH)	400 × 300 × 276 mm
Internal (LxWxH)	357 × 256 × 260 mm
Max. stacking load (kg)	200 kg
Capacity	26 litre
Color	Red
Handles	Closed
Sidewalls	Closed
Material	PPC
Article number	30.428.GDH.4
Weight (kg)	1,5 kg
Temperature range	-20°C to +50°C, briefly up to +90°C
Bottom	Closed, smooth
Colorcode	RAL 3020
Max. plate diameter	250
Load capacity (kg)	20
Quantity per pallet	64

Features

- **Modern stacking bin from the SOLID LINE series. Dimensions 400 x 300 x H 276 mm**
- **Suitable for a wide range of applications: industry and craft sectors, as well as hospitality, catering and logistics**
- **Fully closed design - both the walls and the base**
- **With closed handgrips - for optimal use of internal volume and protection against dust and other external influences**
- **The base is completely smooth and flat - for optimal hygiene**
- **The stacking bin is suitable for fitting hinged lids, optionally with snap closures**
- **Food-safe and hygienically designed**
- **Options: printing - hinged lids - coversheets - reinforced base**

Description

Plastic **stacking bin in Euronorm format** (**400 x 300 x H 276 mm** - 26 liter). Finished in **red** and part of our **SOLID LINE** - a product range suitable for a wide variety of applications. Users can be found in industry and craft sectors as well as hospitality, catering and logistics.

Thanks to its **standardised dimensions** (400 x 300 mm), the stacking bin can be stacked with all other **Euronorm stacking bins** and is **perfectly compatible with standardised pallets**, **mobile plastic trolleys** and **roll containers**.

The stacking bin is food-safe, **hygienically designed** and fitted with two closed handgrips - for optimal use of the internal volume and to protect the contents as effectively as possible from external influences. The bin also features a **hygienically smooth base** on the underside.

The stacking bin is also suitable for the **installation of hinged lids**, optionally with snap closures. The lids are available in various **colours**, allowing different applications to be visually identified. We refer to this as **colour coding**.

Everything for optimal logistics.
