Description

Lidded bin from the BLACK LINE

Plastic **stacking bin with hinged lid** and two **snap-slide closures** in **Euronorm format** (400 x 300 x H 133 mm - 11 liter). Finished in **black** and part of our **BLACK LINE**.

Application

The BLACK LINE is a range of **premium products** mainly used for applications where an **exclusive appearance** is required. Catering, event catering and airport catering are good examples. The range is also used for the sale and distribution of premium meat and fish products.

The BLACK LINE range is extensive and includes not only stacking bins, but also black plastic mobile trolleys and roll containers. The range is regularly expanded.

Product details

The lidded bins feature a **flat hinged lid**, allowing them to be stacked securely with each other. The lid ensures **safe centring** during stacking, making **multiple stacking** easy and stable.

Thanks to its **standardised dimensions** (400 x 300 mm), the lidded bin can also be stacked with all other **Euronorm stacking bins** and is **perfectly compatible with standardised pallets**, **mobile plastic trolleys** and **roll containers**.

The lidded bin is food-safe, **hygienically designed** and fitted with two **closed handgrips** - for optimal use of the internal volume and to protect the contents as effectively as possible from external influences. Fitted with a smooth, **easy-to-clean base** on the underside.
