- Featuring a smooth bottom.
- The standard version comes with closed handles.
- Lid containers can also be stacked with lids.
- Lid containers feature a detachable hinged lid.
- The lid container comes with two snap-lock closures in the lid.

## Description

Stacking bin with lid in Euro norm format 600 x 400 mm. This version is composed of a fully closed stacking container with a hinged lid and two snap-lock closures. The lid container is stackable with Euro norm cases, stacking containers, and other Euro norm lid containers. Due to the standardized dimensions, the lid container can also be perfectly combined with standardized pallets, roll containers, and mobile bases. Goods can be transported safely and dust-free in lid containers. We supply foam interiors, seals, and label holders as accessories for the lid containers.
