Lid containers can also be stacked with lids.

Lid containers feature a detachable hinged lid.

The lid container comes with two snap-lock closures in the lid.

Description

Stacking bin with lid with hinged lid in Euro norm format 600 x 400 mm. The hinged lid is equipped with two snap-lock closures. The container is entirely closed, including the handles. This allows for full utilization of the content. The lid container is made of food-grade plastic. Due to the practical Euro norm dimensions, this lid container fits perfectly with other Euro containers, as well as standardized pallets, roll containers, and mobile bases.
