Article number	30.122.0105.15
Weight (kg)	1,72 kg
Temperature range	-40°C to +70°C
Color	Grey
Bottom	Perforated, reinforced
European Article Number	7424906324375
Colorcode	RAL 7040
Quantity per pallet	40

Features

Dimensions: The stackable crate has a Euro standard size of 600 x 400 mm with a height of 224 mm, including a reinforced bottom.

Robustness: The crate is sturdy and resistant due to the reinforced bottom, making it withstand heavy loads and extreme conditions.

Material: Made of high-quality plastic suitable for use with food, making it suitable for various sectors, including the food industry, textile industry, and hospitality.

Handles: Equipped with four open handles for easy handling and transportation.

Multifunctional: Due to its stable construction and adaptability, this stackable crate is suitable for various applications such as storage, transportation, and logistics.

Compatibility: The Euro standard dimensions allow this crate to be perfectly combined with other standardized stacking bins, pallets, and transport equipment.
