Stainless steel trolley

Product specifications

External (LxWxH)	655 x 410 x 165 mm
Article number	A-89009-RVS
Weight (kg)	6 kg
Load capacity (kg)	300

Features

Because two rigid casters extend lower down, the trolley may be rotated on its own axis

Stainless steel trolleys may be stacked without problems; the recesses for the lowered rigid caster make safe stacking of the trolleys possible

Stainless steel trolley A-89009-RVS is provided with six Ø 125 mm nylon rigid casters; to prevent accidents, no swivel castors are used
