Features

50.401 universal basket is suitable for a mixed load of glassware and dishes

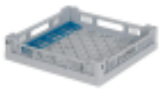

Description

The universal rack 50.401, with dimensions of 400 × 400 × H 90 mm, has an internal height of 73 mm. This dishwasher rack is designed for universal use and is suitable for mixed loads of glassware and tableware. The base is open and specially reinforced, making the universal rack suitable for use in rack conveyor dishwashing machines with transport hooks. The side walls feature an open construction to ensure optimal washing results and a faster drying process. The universal rack 50.401 is an exceptionally durable rack with the best references on the market.
