Wheeled plastic table trolley

Product specifications

External (LxWxH)	590 × 390 × 720 mm
Color	White
Material	HDPE
Article number	81291111.ZWRVS
Quantity per pallet	8

Features

Wheeled plastic table trolley may be used in combination with 100 L tub/mixing vessel. Working height with tub: 950 mm

Wheeled plastic table trolley is supplied with four Ø 100 mm nylon swivel castors with stainless steel housings, of which two are braked

Description

Dolly / mobile plastic table base (590 x 390 x H 720 mm). Made of solid plastic and therefore particularly robust. Stainless steel finished. Suitable for use in combination with a 100-liter sink/mixing tub or with a plastic fish filleting unit. When used in combination with the corresponding plastic fish filleting unit, the working height is 950 mm. For the corresponding fish filleting unit, see "Related products", for the corresponding sink/mixing tub, see "Accessories". Dolly / mobile plastic table base comes with 4 stainless steel swivel casters Ø 100 mm, of which 2 are lockable.
